Attached is the 1st zip file of the redacted Juneau County Report. Please download to a local folder.

You will receive 6 more emails. Please download the zip files in each of those emails to the same local folder.

AFTER you have downloaded all 7 zip files, right-click on the file with the .zip extension and choose **WinZip > Unzip to here**. WinZip will then reassemble all the zip files into the original PDF and place it in the same folder.
